

## **Parking**

**Nature Center:** Parking at the Nature Center (Start / Finish) and environs is limited; carpooling and arranging rides are recommended. Participants who wish to park at the Nature Center must do so along **Makiki Heights Drive**. The **DLNR** has advised race planners that only necessary traffic will be allowed to pass through the front gate after hours (typically sunset to sunrise), as the park needs to be secured. On race day, a parking attendant will direct drivers prior to the start. Note: There are several private homes along the roadway leading to the Nature Center. Travel and noise (e.g., closing of car doors and trunks, conversations) should be kept to the absolute minimum, especially during nighttime and early morning hours.

**Paradise Park:** The Paradise Park grounds, including the parking lot, are private property. A \$5 parking fee (subject to change) applies per day. Free street parking is available around the end of **Mānoa Road**, 5 – 10 minutes by foot from the aid station. *Parking at this aid station will not be allowed until after 09:00 on Saturday.*

**Nu'uano:** There is no parking lot at the Nu'uano Aid Station. **Nu'uano Pali Drive** is a narrow road adjacent to the aid station that offers extremely limited parking and is poorly lit at night. Visitors are asked to park at least 100 yards from the trailhead, so as not to interfere with access to the aid station.

**All Locations:** Trailheads are notorious for vehicle break-ins. Participants are strongly encouraged not to leave valuables in their cars. Note that vehicles must have all four wheels off the road (asphalt surface) to avoid ticketing or towing by the police.
