

# Waitlist Procedure for the 2012 H.U.R.T. 100

---

A total of 125 spots will be made available for the event.

After 125 slots are filled via the lottery, the drawing will be continued to produce an ordered waiting list of qualified applicants.

Entrants cannot transfer their entry to another participant. Nor can entrants' rollover their entry and or entry fee to the next or subsequent years.

A \$100.00 refund will be made to an accepted runner should circumstances prevent participation in the event under the following conditions:

- Race management is notified prior to 11/15/2011 of intent to withdraw from run. Notice must be sent to Jeff Huff at [jhuff@hawaii.rr.com](mailto:jhuff@hawaii.rr.com)
- A runner is available on the waitlist and accepts to fill the vacated spot.
- A refund will not be made if the above conditions are not met.

Runners who are selected off the waitlist will have three days to complete a new registration for the H.U.R.T. 100 at Ultrasignup, otherwise the invitation will be revoked and the next available wait listed runner will be notified.

No refunds will be made after 11/15/2011.
